Foresees Woman President,

David J. Brewer, Associate Justice of the United States Supreme Court, delivered the Phi Beta Kappa address at Vassar College Monday evening. He was introduced by Miss Whitney, the astronomer of the college. Justice Brewer discussed the topic, "Education

and Citizenship."
"I will not discuss the question of woman suffrage in this presence," he said, "but the suffrage is now enjoyed by both sexes in several of the States, and who shall say that within a gen-eration it shall not be extended in every State to both men and women? Who shall say that before the gray hair shall cover the heads of the women here to-night there may not sit in the White House a woman who will shed luster upon this country as Queen Victoria shed luster upon England?"

This statement was heartily applauded. Justice Brewer said that the recent ex-periences in Colorado and Chicago were well calculated to make Americans wonder, if immigration is to be continued at its present ratio, if the forces of order will not be overthrown by law-
